

Mica II

Modular Carpet

 EF Contract™

We're EF Contract.

Part of the fastest-growing, most progressive family of flooring companies, we stand for confidence in quality, relentless service and doing right by all.

Our products are inspired by you: offering the carpet and hard-surface flooring that you want and need, that you've been seeking but unable to find, until now.

Every collection, pattern and colorway are created with best in class performance and in pursuit of design that is simply beautiful.

Modular carpet has transformed the flooring industry, with its durability, ease of maintenance and design flexibility. We go even further, creating wide-ranging formats including squares, planks and skinny planks — as well as patterns and colorways that enable a custom look to every floor. So you can install coordinating products or even multiple colors of a single design to create variety within your space.

Mica II

Inspired by the mineral mica, brilliant from every angle, this product uses metallic yarns to give a sparkling look to the floor. Unlimited pattern and design flexibility are its strengths, heightened by a complete spectrum of 24 neutral and bright colors. Now available in plank format.

Style	MICA II TMC
Construction	TEXTURED LOOP
Fiber Type	ENCORE® SD NYLON
Dye Method	SOLUTION DYED
Ounce Weight	24 OZ / YD2
Gauge	1/10 IN
Backing	NEXUS® MODULAR
Density	11,077
Size	12" W X 48" L

PRODUCT DETAILS

Fiber

ENCORE® SD ULTIMA® (WITH RECYCLED CONTENT)

Encore SD Ultima is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability and practicality.

Backings

NEXUS® MODULAR

Nexus modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- Contains pre-consumer recycled content and contributes to LEED
- Recyclable through EF Contract's R4 Carpet Reclamation Program

Adhesives

COMMERCIALON® PREMIUM MODULAR ADHESIVE

A high-strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC-backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the EF Contract Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria. Commercialon Premium Modular Adhesive is nontoxic, has ultra-low odor and is antimicrobial in the dry state.

Optional

TILETABS®

Technologies

PROTEX® SOIL RELEASE

ProTex is a proprietary fluorochemical technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all EF Contract flooring products.

ProTex works similarly to the technology used in nonstick cookware by lowering the surface energy of the fibers, which increases soil release properties. Very small soil particles cause carpet to appear dull. Thanks to ProTex, small soil particles are effectively removed by vacuuming or wet cleaning.

Optional

PROSEPT® ANTIMICROBIAL

SENTIR® ADVANCED ODOR-BLOCKING TECHNOLOGY

©2018 Engineered Floors LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law.

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation. These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer's, and not EF Contract's, responsibility.
