We're EF Contract.

Part of the fastest-growing, most progressive family of flooring companies, we stand for confidence in quality, relentless service and doing right by all.

Our products are inspired by you: offering the broadloom and modular carpet, kinetex (textile composite flooring) and resilient flooring that you want and need, that you've been seeking but unable to find, until now.

Every collection, pattern and colorway are created with best in class performance and in pursuit of design that is simply beautiful.

Our carpet has transformed the flooring industry with its durability, ease of maintenance and design flexibility. We have 12-foot-wide broadloom carpet and wide-ranging modular formats including squares, planks and skinny planks — as well as patterns and colorways that enable a custom look to every floor. Install coordinating products or even multiple colors of a single design to create variety within your space.

Common Thread

Designed to interplay with Artisan, Common Thread lives up to its name. This versatile tile can mix and mingle with several EF Contract products, providing a new layer of flexibility to flooring design.

Backings

NEXUS® MODULAR

Nexus modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- Contains pre-consumer recycled content and contributes to LEED
- Recyclable through EF Contract's R4 Carpet Reclamation Program

Adhesives

COMMERCIALON® PREMIUM MODULAR ADHESIVE

A high-strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC-backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the EF Contract Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria. Commercialon Premium Modular Adhesive is nontoxic, has ultra-low odor and is antimicrobial in the dry state.

Optional

TILETABS®
High Tack Adhesive Tabs (modular only)

Technologies

PROTEX® SOIL RELEASE

ProTex is a proprietary soil release technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all EF Contract flooring products.

Optional

PROSEPT® ANTIMICROBIAL

SENTIR® ADVANCED ODOR-BLOCKING TECHNOLOGY

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation. These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer's, and not EF Contract's, responsibility.
