FRONT COVER: PLATEAU - TERRA - ASHLAR

Plateau

Along the cliffs and inlands of the coastline where sea meets stone and tides wash ashore, a wonderland of inspiration can be found. Water and erosion reveal age-tinted texture and color– a rippling motif of unique shadowed striations that flourish and fade. This was the inspiration for our latest LVT introduction, Plateau. Available in 18" x 36" planks, in five earth tone-on-tone colorations, Plateau is the perfect foundation for an organic modern interior design.
