## Plateau + Stained Concrete

Capturing the synergy of the elements and their age-tinted effects on stone and wood, Plateau and Stained Concrete embrace the unrivaled beauty that Mother Nature creates every day. Plateau's motif of unique shadowed striations flourish and fade across 18" x 36" planks, in five earthy tone-on-tone colorations. Stained Concrete emulates the ebb and flow of natural patina throughout its two neutral background tiles. Both Plateau and Stained Concrete will bring an urban aesthetic and modern elegance to commercial interiors.
